IME/DATE PREPARED: 10:00AM / December 13, 2013

COMPANY: Arizona Public Service Company

AGENDA ITEM NO. 26

DOCKET NO(S). E-01345A-13-0140

OPEN MEETING DATE: December 17-18, 2013

*The purpose of this amendment is to recognize an additional \$7 million of collected, but unallocated, funds that are available to reduce the RES adjuster funding needed to meet the 2014 budget. In Docket No. E-01345A-13-0248, APS indicated that the "timing of the in-service date for the Solana Generating Station has resulted in an additional \$7 million in collected, but unallocated, funds available . . . This brings the total amount of collected, but unallocated, funds to approximately \$35 million." (APS's Comments to Staff's Report and Recommended Order at 13:15-19 (Nov. 4, 2013).*

**Page 11, Line 6:** INSERT the following as a new finding of fact:

40. In Docket No. E-01345A-13-0248, APS indicated that the timing of the in-service date for the Solana Generating Station has resulted in an additional \$7 million in collected (but unallocated) funds. We will use this \$7 million to further reduce the RES adjuster funding needed to meet the budget. This changes the amount to be collected from \$114.4 million to \$107.4 million.
